2012 FEB -1 P 3:4

Commissioner of Political Practices
1205 8th Avenue
P.O. Box 202401
Helena, MT 59620-2401

To Whom It Concerns:

This Complaint is brought by Bowen Greenwood, Executive Director of the Montana Republican Party, P.O. Box 395, Helena, MT 59624. Phone # 406-442-6469.

This Complaint is brought against Beau Wright, a Montana resident.

Statement of Facts

1. Beau Wright is presently the treasurer of the Montana Hunters & Anglers Political Action Committee, herein referred to as "MH&A". Wright is also an applicant for the Montana Commissioner of Political Practices, a vacant position herein referred to as "the Commissioner". A copy of Wright's cover letter and resume for this position is attached hereto and incorporated herein as Exhibit "A".
2. On February 1, 2010, MH&A filed their initial Form C-6 financial report for the 2010 election cycle with the Commissioner. Covering contributions and expenditures for the period of January 31, 2009 through January 31, 2010, the handwritten document was certified and submitted by the committee's treasurer, Beau Wright of 207 Fluorite Drive, Lewistown, MT 59457. A copy of this Form C-6 financial report is attached hereto and incorporated herein as Exhibit "B".
3. In this initial filing, Wright reported that MH&A had received \$7,165 in total receipts, the majority of which was listed as having been contributed by "S.P. Conrad, Retired, PO Box 310, Houma, LA, 70361" in the amount of \$5,000.
5. According to the Louisiana Secretary of State's office, the P.O. Box number Wright listed under S.P. Conrad's name is the mailing address for a corporation based in Houma, LA – not Houlma – named Gulf Island Fabrication. The corporation, which specializes in the manufacturing of structures in the oil & gas and marine industries, does not list "S.P. Conrad" among their various registered agents and officers. In addition, Gulf Island Fabrication lists "P.O. Box 310, Houma, LA 70361" as having been the corporation's official mailing address since 1989. A copy of Gulf Island Fabrication's corporate filing and the "About Us" section of their website is attached hereto and incorporated herein as Exhibits "C" & "D".
6. According to numerous state and federal campaign finance reports, there is no record of an individual under the name "S.P. Conrad" residing in the 70361 zip code as having contributed to a political campaign or committee during the 2010 election cycle. There is, however, a "Conrad S.P Williams, III" who contributed \$500 to Sangisetty for Congress in September 2009. This is likely the same "Conrad Williams" who contributed \$1,000 to Charlie Melancon's campaign in February 2010 and is listed as an attorney with "St. Martin, Williams & Bourque", located in Houma, LA 70361. A copy of campaign contributor data from Houma, LA 70361 during the 2010 election cycle is attached hereto and incorporated herein as Exhibit "E".

7. According to St. Martin & Bourque's website, the law firm specializes in maritime law and has brought numerous catastrophic injury suits in oil & gas and environmental litigation. A copy of their website's homepage is attached hereto and incorporated herein as Exhibit "F".

8. According to Montana Code Annotated §13-37-229(2), a political committee's Form C-6 financial statement must include, "the full name, mailing address, occupation, and employer, if any, of each person who has made aggregate contributions, other than loans, of \$35 or more to a candidate or political committee."

9. MCA 13-37-217 specifies that, "A person may not knowingly receive a contribution or enter or cause the contribution to be entered in the person's accounts or records in another name than that of the person by whom it was actually furnished."

10. MCA 13-37-128 specifies that a person who intentionally or negligently violates any of the reporting provisions of Title 13, Chapter 37 is liable for an amount up to \$500 or three times the amount of the unlawful contributions or expenditures, whichever is greater.

11. MCA 13-37-208(3) and 13-37-231(2) require the treasurer of a political committee to preserve committee accounts and reports for four years after they were initially filed with the Commissioner.

12. MCA 13-37-209 authorizes the Commissioner to inspect accounts kept by the treasurer of a political committee after the election to which the accounts refer.

13. The Commissioner's Accounting and Reporting Manual for Political Committees, also known as the "Pink Book", at page 21, reiterates that contributions must be refused when the source is not known or when the person offering money wishes not to be known.

Request for Judgment

Based on the preceding Summary of Facts and Statement of Findings, there is substantial evidence to conclude that Beau Wright, the individual treasurer for Montana Hunters & Anglers, violated Montana's campaign practices and campaign finance reporting and disclosure laws, and that a civil penalty action under Montana Code Annotated § 13-37-128, is warranted.

Susan Byroth Fox
Legislative Services Division

Dear Ms. Fox,

Please accept the attached resume to be considered for the current vacancy for the Commissioner of Political Practices. I was encouraged to apply by Senate Majority Leader Jim Peterson.

I am currently employed by Lewistown Public Schools where I serve as a government teacher at Fergus High School. As a government teacher I am aware of the challenges and opportunities that campaign transparency and public recording face. The Office of Political Practices has served Montana well in the past, their recent switch to electronic paperless filing is a step in the right direction to be sure that Montanans are fully aware who and where support is coming from in our free and open elections. I would be honored to serve all Montanans to ensure that the Office continues to serve in a professional and efficient way. As a teacher I am required to present material in a non-partisan objective manner. This skill is one that I pride myself in accomplishing. The Commissioner of Political Practices is required to serve with much the same objective standards, something I know I could accomplish.

Montana is the greatest state in the Union. Our political discourse is largely open and cordial. The Office of Political Practices correctly monitors that discourse. In the classroom and in my community I constantly try to promote civic engagement with my students. Believing that leading by example delivers the most powerful lesson, I strive to participate in the political process whenever possible. Hosting school board candidate debates, serving as a ballot counter and being involved in local issues have been examples of this engagement in the past. I see the current vacancy as an opportunity to serve the Treasure State in another capacity and to continue to teach the importance of civic engagement through example.

Please contact me if any further information regarding this application may be required. I appreciate in advance your time and consideration regarding this matter.

Sincerely,

Beau K. Wright
